Lanarte  
the Art of Stitching

# Marjolein Bastin

The 15th century Turkish traveller, Eyliya Celebi, described embroidery as 'craft of the hands'. Since those early years, generations of stitchers have kept this ancient craft alive and today, in the 21st century the long tradition has been enriched with a new name: Lanarte.

and Emilie Vergnes' small studio was synonymous with exclusivity. In its leading position in the craft, Lanarte developed their exclusive designs. The success of the company to the Belgian market was a creative thrust and further growth. Each year, each inspired by nature, quality is only possible through passion. It is what makes Lanarte work. This exclusivity is not only a result of its unique designs, but also in its unique designs. Lanarte has a team of artists, including the design team, which guarantees highly detailed, timeless and

Working on a Lanarte kit is more than embroidery. It is enveloping yourself in centuries long tradition of art and craft.

Lanarte is the art of stitching.
